

April 30 No school was held today. The furniture from the old school was removed to the new premises. In the afternoon the school children were entertained to a tea by the Chairman of the Managers. At 6.30 the new school was formally opened by Mr. G. the councillor for the district.

Stds III-III were examined in Writing and Arithmetic during the week. Fairly good work was produced. Mr Lindop called Average for the week = 106.2 % = 90.7

May. 3 Commenced duties in the new premises. Found them very comfortable after so many years in the dismal old buildings. The brightness of their environment had a very pleasing effect upon the children and teachers. Admitted nine new pupils today. Visited in the morning by Mr. J. Correspondent of the Local Managers and Mr Lindop. Attendance Officer in the afternoon.

May. 7 Good work was accomplished during the week. Standards I and II were examined, and the work produced taken as a whole was of a satisfactory nature. Attendance was good. Average 113.1
