Class Residential Trip to Nant Bwlch y Haearn

We are looking to provisionally book a residential trip to the outdoor education centre of Nant B.H. The trip will be spread over four nights in November later this year. Two groups will hopefully be going and staying for two nights each.

Nant Bwlch yr Haearn is run by The Outdoor Education Service via four local authorities. The centre is set in its own grounds within the heart of the Gwydir forest, in between Llanrwst and Betws-y-Coed. The centre offers a range of activities and this year we hope that we can go gorge walking, climbing, canoeing and orienteering (activities can sometimes be changed at short notice as most are conducted outdoors and the weather is always a determining factor). All activities are organised by fully trained instructors and are also supervised by a member of the school staff. Some activities are conducted off-site but pupils will only ever leave the centre grounds if they are accompanied by an adult. The walks that we go on should include two night walks, one of which is navigated by the use of torches and reflectors.

If you need any questions answering then I will be happy to try and answer them, and there will be a meeting closer to the time of departure, which will outline the activities undertaken and benefits of this trip. Numbers need to be acquired to enable us to book and cement our place. The cost will be approximately £120- £125 per child depending on numbers. If you are interested and would like your child to take part in this outing then please complete and return the form below.

Yours sincerely,

Mr J Griffiths
