

Year 2 Autumn Bulletin 2024

Our Humanities topic for the Autumn Term is **Choices**.
As always, our children will lead the learning through Pupil Voice.

But what is Pupil Voice?

Pupil voice refers to ways in which the thoughts, wishes and opinions of learners are invited, engaged with and acted upon in an educational setting. Allowing them to take ownership of their own learning, resulting in better engagement and attainment. We task the children to create their own LOs (Learning Objectives), thinking about the skills they will be developing through completing the task.

Help from Home

Reading - Reading is an integral part of learning so to help us to support your child, we ask that parents sign reading diaries regularly, if possible three times each week. If you are able to listen to them read and ask them a range of questions about the text - that would be great! Books will be changed in school every Monday and Thursday.

MathShed and Spelling Shed - Activities will be set each week and grown ups are encouraged to support children on these activities. These relate to learning in school too so will give children an opportunity to consolidate their learning.
