

Year 6 Spring Bulletin 2026

Our Humanities topic for the Spring Term is **'It's not fair'**.
As always, our children will lead the learning through Pupil Voice.

But what is Pupil Voice?

Pupil voice refers to ways in which the thoughts, wishes and opinions of learners are invited, engaged with and acted upon in an educational setting. Allowing them to take ownership of their own learning, resulting in better engagement and attainment. We task the children to create their own LOs (Learning Objectives), thinking about the skills they will be developing through completing the task.

Help from Home

Reading - Reading is an integral part of learning so to help us to support your child, we ask that parents sign reading diaries on a weekly basis. If you are able to listen to them read and ask them a range of questions about the text - that would be great! Diaries need to be returned to school each MONDAY to be checked by the teacher.

Times Tables - It is great to see a lot of the children are confident recalling Times Tables but for those who are not quite there, we would appreciate it if you could encourage your child to learn them. They have access to a great, free game through HWB called TT Blast.
