19th November 2025

Dear Parents and Carers,

As you will realise from the recent weather reports, winter is upon us! We need to prepare therefore for the eventuality of having to close due to adverse weather conditions (usually snow!) and would like to take this opportunity to remind you of what to expect if this happens.

The decision to close is not taken lightly. All possible efforts are made to keep the school open.

From 7.45am. This will be earlier if possible.

- You will be contacted via SchoolComms, advising you of closure
- Flintshire County Council will have been contacted and details of school closures can be found on **[www. Flintshire.gov.uk](http://www.Flintshire.gov.uk)**. This site will have 'Emergency School Closure Alerts' section at the top of the page. Information can also be found on our school website.
- BBC Radio Wales and Heart FM will have also been contacted, so you could listen out for announcements on these stations
- A message will be left on the school website www.ewloegreen.co.uk
- Other information may also be found on the Council's Twitter feed @flintshirecc (<http://www.twitter.com/flintshirecc>)

Please note that **school will be open unless you are notified differently**. We **will not notify you if school is open**. Please remember to ensure that we have your latest contact details.

Kind regards,

Mrs R. Dyasqasim Banks
Headteacher
