

Year 6 Autumn Bulletin 2026

Our Humanities topic for the Autumn Term is **Conflict**.

As always, our children will lead the learning through Pupil Voice.

But what is Pupil Voice?

Pupil voice refers to ways in which the thoughts, wishes and opinions of learners are invited, engaged with and acted upon in an educational setting. Allowing them to take ownership of their own learning, resulting in better engagement and attainment. We task the children to create their own LOs (Learning Objectives), thinking about the skills they will be developing through completing the task.

Help from Home

Reading is an important part of learning, so please support your child by reading at home regularly. Reading logs are **checked every Monday**, and children who have read more than three times during the week will receive a Dojo point.

Reading logs should be in school every day so teachers can use them during guided reading sessions. Children in Year 6 should read independently and, where possible, to an adult. Please ask questions about what they have read to help develop their understanding.
